FEATURING

Temple Grandin
Colorado State University

Temple obtained her B.A. at Franklin Pierce College and her M.S. in Animal Science at Arizona State University. She received her Ph.D. in Animal Science from the University of Illinois in 1989. Today she teaches courses on livestock behaviour and facility design at Colorado State University and consults with the livestock industry on facility design, livestock handling and animal welfare. She has appeared on television shows such as 20/20, 48 Hours, CNN Larry King Live, PrimeTime Live, 60 Minutes, the Today Show and many shows in other countries. She has been featured in People Magazine, the New York Times, Forbes, U.S. News and World Report, Time Magazine, the New York Times book review and Discover magazine. In 2010, Time Magazine named her one of the 100 most influential people. Interviews with Dr. Grandin have been broadcast on National Public Radio. Her books "Animals in Translation" and "Animals Make Us Human" were both on the New York Times bestseller list. Her life story has also been made into an HBO movie titled "Temple Grandin, starring Claire Danes," which won seven Emmy awards and a Golden Globe.

Ryon Walker

Louisiana State University AgCenter

Ryon is an assistant professor of beef cattle at the Hill Farm Research Station in Homer, LA. He received a B.S. and MS degree from Texas A&M University, and a Ph.D. in reproductive physiology from Colorado State University in 2004. Ryon is currently conducting research to enhance cow/calf production efficiency.

Stan Beavers

Texas A&M

Stan is a Professor and Extension Economist for the Texas AgriLife Extension Service, Rolling Plains District headquartered in Vernon. He earned his B.S. in Agricultural Education from Cameron University in Lawton, Oklahoma and his M.S. in Agricultural Economics from Texas A&M University in College Station, Texas. He has been Extension Farm and Ranch Management Economist for the Texas Rolling Plains since May 1989.

Jason Banta

Texas A&M

Jason is an Associate Professor and Extension Beef Cattle Specialist stationed at the Texas A&M AgriLife Research and Extension Center in Overton. He is also a member of the beef cattle section in the Department of Animal Science at Texas A&M University. Jason was raised in central Texas and has been involved in cow-calf production his entire life.

Paul Beck

University of Arkansas

Paul attended Oklahoma State University from 1986 to 1993, receiving B.S. and M.S. degrees in Animal Science. Paul completed his Ph.D. at the University of Arkansas in 2003 and joined the faculty of the Department of Animal Science in 2004. Paul conducts research at the Southwest Research and Extension Center near Hope and the Livestock and Forestry Research Station near Batesville.

Ron Strahan

Louisiana State University AgCenter

A native of NE Louisiana, Ron is an Associate Professor at Louisiana State University. He is responsible for weed management programs in turfgrass, ornamentals, vegetables, and forages.

Brian Freking

Oklahoma State University

Brian attended South Dakota State University from 1987 to 1992, receiving his B.S. and M.S. degrees in Animal Science. Brian began his Oklahoma Extension career in 2004 as the Agriculture Educator in LeFlore County. Brian currently serves as the SE District Livestock Specialist providing support for 19 counties in Oklahoma.
